

The INSTRU 01800 monitors ambient conditions in garden centers, storage and clean rooms, museums, laboratories.

The user can easily switch from °C to °F or from °F to °C by pressing its switchable button.

The INSTRU 01800 with dual display shows in big numbers indoor and outdoor temperature.

The INSTRU 01800 will activate an alarm when outdoor temperature is between -1 to +4°C (30.2 to +39.2°F) (freezing conditions)
